

## Best of INPUT - Finland

### Programmes from around the world for Christmas

Employees of YLE were offered a great immaterial Christmas gift by various public service televisions from around the world. It was called Best of INPUT. Three days lunch time screenings in location next to the main restaurant in YLE made it possible for people to come and go as they like, and even take your meal with you and have a civilized and exuberant lunch break.

Programmes shown during these three sessions were:

How Mad Are You?  
Manshow  
Invisible Wounds  
The Gruen Transfer  
Embarrassing Bodies

Twenty Show  
Straight Talk – Down Syndrome  
Gaza/Sderot  
What Do You Do?  
My Street

Keep Looking  
Can't Get You Out of My Head  
DR2 Premiere  
Canada's Next Great Prime Minister  
Teen Scene XL  
Crystal World  
Liverpool Nativity

Finland very much thanks TVP for having all the Warsaw discussions in net, as it is almost impossible to remember exactly what were the debates about after screenings in May, and Finland very much hopes that this tradition could continue in Budapest also...
